

Keep the Green River Valley Green!

See your neighbors, enjoy fall colors, keep the Green River Valley green, and help salmon. Come out and plant trees at Whitney Bridge Park on the Green River. Your efforts will improve habitat for chinook, steelhead, and other wildlife.

Date: Saturday, October 28, 2006

Time: 10 a.m. to 2 p.m.

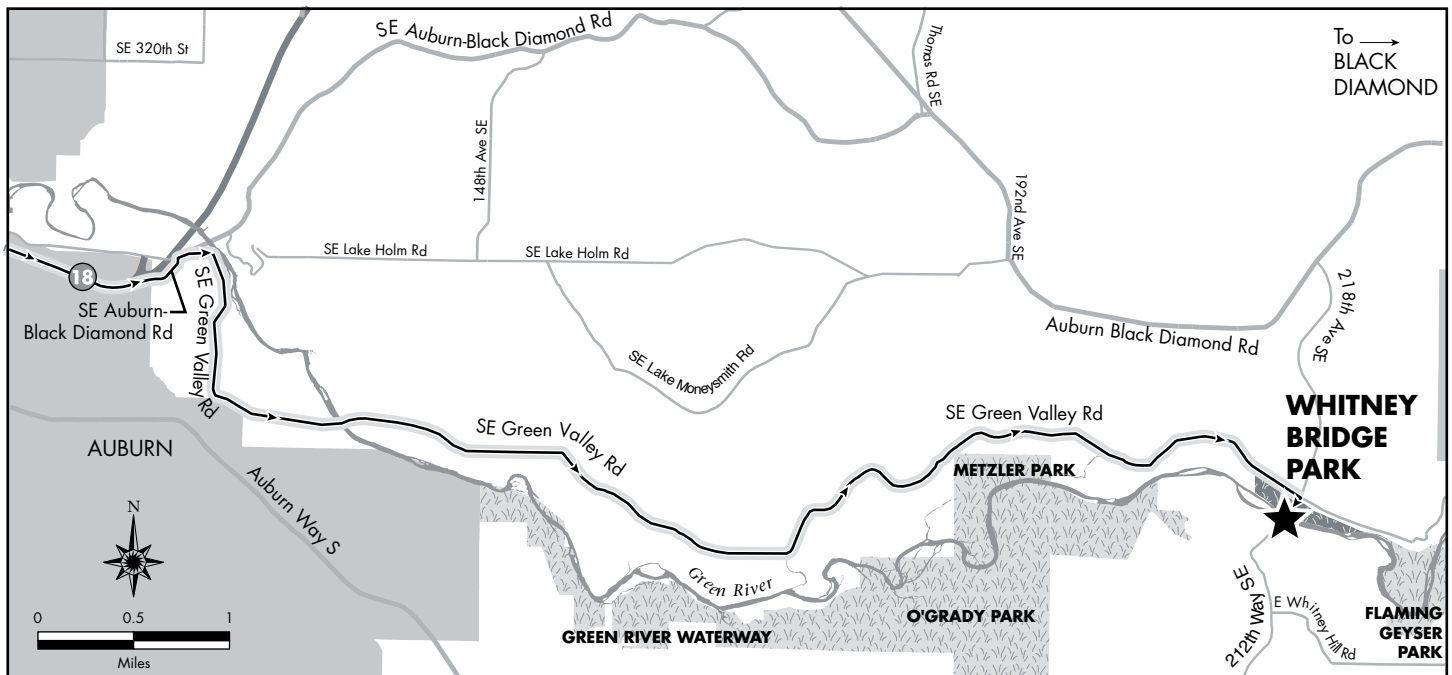

To get there from I-5 or SR 167: take SR 18 east to Auburn, pass through the city, and take the “Auburn-Black Diamond Road” exit. At the stop sign, turn right onto SE Auburn-Black Diamond Road, go about 100 feet, then turn right again onto the SE Green Valley Road (if you cross the Green River, you’ve gone too far). Go about 7.5 miles on the Green Valley Road to the intersection of the Green Valley Road and 218th Ave. SE/212th Way SE (if you reach the entrance for Flaming Geyser State Park, you’ve gone too far). Turn right at the intersection of Green Valley Road and 218th Ave. SE/212th Way SE (same road). You will see signs showing you where to park.

What to bring: a shovel and work gloves if you have them (we will have extras for those without.) Light refreshments will be provided.

What to wear: old work clothes and sturdy shoes or boots. Dress for the weather; we will plant rain or shine.

Note: participants under 16 must be accompanied by an adult.

Contact Tina Miller at 206-296-2990 or tina.miller@metrokc.gov for more information and to sign up.

Got a little extra to give? Although this is only a one-day event, we are looking for Green Valley residents—and other people who love this area—to take care of this land for the future. If you’re interested in working with others to adopt the site, please contact **Dennis Clark** at 206-296-1909 or dennis.clark@metrokc.gov.
